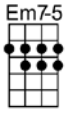
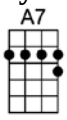
4/4 1234 12 (without intro)

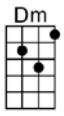
Intro:  **X2**

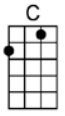
‘Cause the night has a thousand eyes, and a thousand eyes can’t help but see



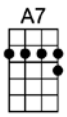
If you are true to me

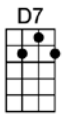




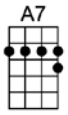


So, re-member when you tell those little white lies that the night has a thousand eyes



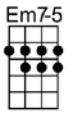


They say that you’re a runaround lover, though you say it isn’t so

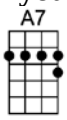


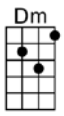
But, if you put me down for an-other, I’ll know, believe me, I’ll know

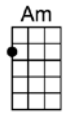
‘Cause the night has a thousand eyes, and a thousand eyes can’t help but see

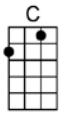


If you are true to me

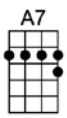


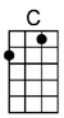




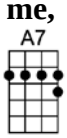


So, re-member when you tell those little white lies that the night has a thousand eyes

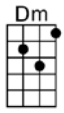


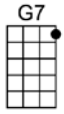


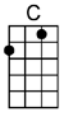
You say that you’re at home when you phone me, and how much you really care



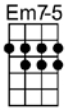
Though you keep telling me that you’re lonely, I’ll know if someone is there



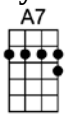


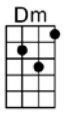


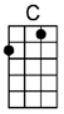
‘Cause the night has a thousand eyes, and a thousand eyes can’t help but see

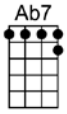


If you are true to me

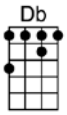


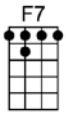


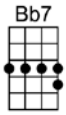


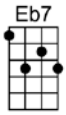


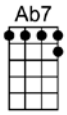
So, re-member when you tell those little white lies that the night has a thousand eyes

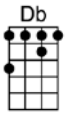


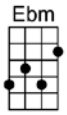


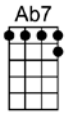




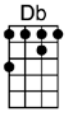


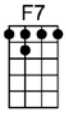


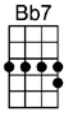


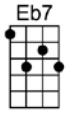


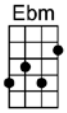
One of these days you’re gonna be sorry ‘cause your game I’m gonna play

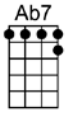




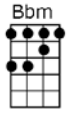


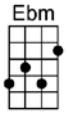


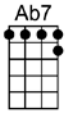


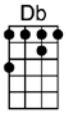


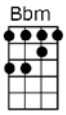
And you’ll find out without really tryin’ each time that my kisses stray



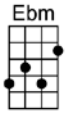


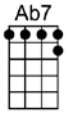


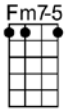




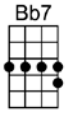
‘Cause the night has a thousand eyes, and a thousand eyes will see me too,

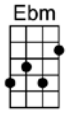


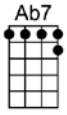


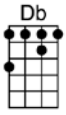


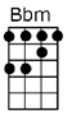
No mat - ter what I do

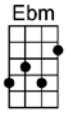


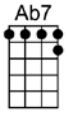


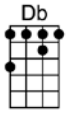




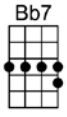


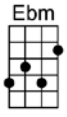


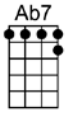


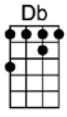


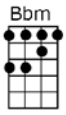
I could never dis-guise all my little white lies ‘cause the night has a thousand eyes

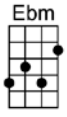


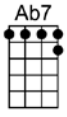


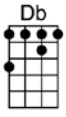


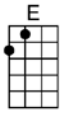


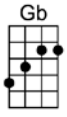












So, re-member when you tell those little white lies that the night has a thousand eyes (X3end onDb)
