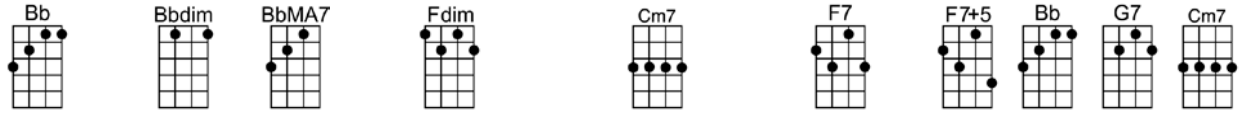
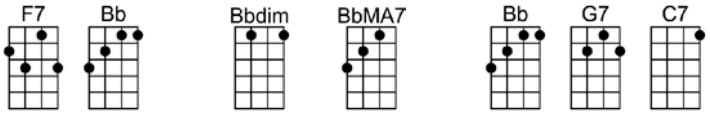
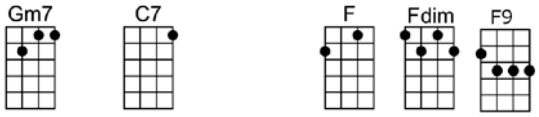
Intro: 
/ / / / / / / /



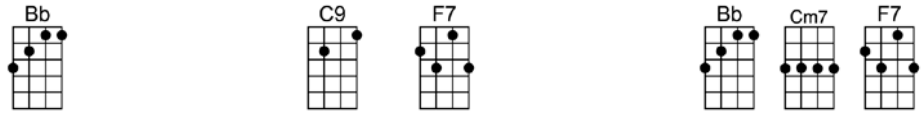
I'm so un-happy, what'll I do, I long for somebody who will sympa-thize with me



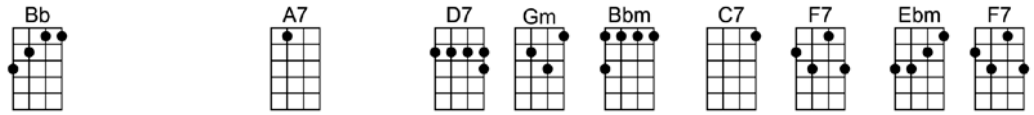
I'm growing so tired of living alone, I lie a-wake all night and cry



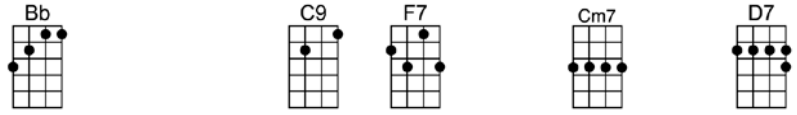
Nobody loves me, that's why.



All by myself, in the morning, all by myself in the night



I sit alone with a table and a chair, so un-happy there, playing soli - taire



All by myself, I get lonely, watching the clock on the shelf

I'd love to rest my weary head on somebody's shoulder

I hate to grow older all by my-self!
