Well, I heard some people talkin' just the other day
And they said you were gonna put me on the shelf
But let me tell you I got some news for you, and you'll soon find out it's true
And then you'll have to eat your lunch all by your-self

'Cause I'm already gone, and I'm feelin' strong
I will sing this victory song, woo, hoo, hoo, hoo

The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this, my girl, when you look up in the sky
You can see the stars and still not see the light (that's right)
p.2. Already Gone

Yes, I'm already gone. Yes, I'm fee-lin' strong

I will sing this victory song, woo, hoo, hoo, woo, hoo, hoo

Instrumental verse

Well, I know it wasn't you who held me down

Heaven knows it wasn't you who set me free

So often times it happens that we live our lives in chains

And we never even know we have the key

But me, I'm already gone, yes, I'm fee-lin' strong

I will sing this victory song, ‘cause I’m already gone

Yes, I'm already gone. And I'm fee-lin' strong

I will sing this victory song, woo, hoo, hoo, woo, hoo, hoo
