

ALWAYS AND FOREVER_(BAR)

12/8

Intro: |  |  |  |  | **(X2)**

 Always and forever,  each moment with you 

 Is just like a dream to me  that somehow came true   

 And I know tomorrow  will still be the same 

 'Cause we've got a life of love  that won't ever change and   

 Everyday, love me your own special way, melt all my heart a-way with a smile       

 Take time to tell me, you really care, and we'll share to-morrow,   together      

 I'll always love you  for-ever,   for-e - ver    

p.2. Always and Forever

There'll always be sunshine when I look at you

It's something I can't explain just the things that you do

And if you get lonely, phone me and take

A second to give to me that magic you make and

Everyday, love me your own special way, melt all my heart a-way with a smile

Take time to tell me, you really care, and we'll share to-morrow, together

I'll always love you for-ever
