

AN OLD FASHIONED LOVE SONG (BAR)-Paul Williams

4/4 1...2...1234

Intro: |  |  |  |  | (X2)

Just an old-fashioned love song, playin' on the radio

And wrapped around the music is the sound of someone promising they'll never go

You swear you've heard it before, as it slowly rambles on

No need in bringing 'em back, 'cause they're never really gone

Just an old-fashioned love song, one I'm sure they wrote for you and me

     ()

Just an old-fashioned love song, comin' down in three-part harmo-ny

To weave our dreams upon and listen to each evening when the lights are low

To underscore our love affair with tenderness and feelings that we've come to know

p.2. An Old Fashioned Love Song

You swear you've heard it before, as it slowly rambles on and on

No need in bringing 'em back, 'cause they're never really gone

Just an old-fashioned love song, comin' down in three-part harmo-ny

Just an old-fashioned love song, one I'm sure they wrote for you and me

To weave our dreams upon and listen to a song.....

Just an old song.....comin' down

Just an old song.....one I'm sure they wrote for you and me

Just an old-fashioned love song, comin' down in three-part harmo-ny

Just an old-fashioned love song, one I'm sure they wrote for you and me
