

## AROUND THE WORLD-Harold Adamson/Victor Young 3/4 123 12

A-round the world I've searched for you.

I traveled on when hope was gone to keep our rendez-vous

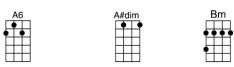

I knew some-where, some-time, some-how,

You'd look at me and I would see the smile you're smiling now

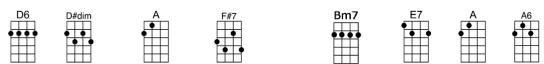

It might have been in County Down,

Or in New York, in Gay Pa-ree, or even London Town

No more will I go all a-round the world, for I have found my world in you

No more will I go all a-round the world, for I have found my world in you
