3/4 123 12

**Intro:**

(each gets 3 beats)

**A-round the world I've searched for you.**

**I traveled on when hope was gone to keep our rendez-vous**

**I knew some-where, some-time, some-how,**

**You'd look at me and I would see the smile you're smiling now**

**It might have been in County Down,**

**Or in New York, in Gay Pa-ree, or even London Town**

**No more will I go all a-round the world, for I have found my world in you**

**No more will I go all a-round the world, for I have found my world in you**
