

AT SUNDOWN - Walter Donaldson

4/4 1...2...1234

Intro:     (4 beats each)

   
Sun-beams are gently fading, are slowly fading, the birds are waiting

   
To do their mating, when even-tide is nigh

   
Moon-beams are descending, the day is ending, a happy ending

  
The sun is sinking, below a western sky.

   
Every little breeze is sighing of love undying at sun - down

   
Every little bird is resting and feather-nesting at sun - down

    
Each little rosebud is sleeping, while shadows are creeping

   
In little cottage cozy the world seems rosy at sun - down

   
Where a loving smile will greet me and always meet me at sun - down

    
I seem to sigh, I'm in heaven, when night is falling and love is calling me home.
