

# BE MY LIFE'S COMPANION - Hilliard/DeLugg

4/4 1234 12 (without intro)

## Intro:

Want no silver threads a-mong the gold.

Want no silver threads among the gold

Want no silver threads, want some action in-stead. Want no silver threads a-mong the gold.

Be my life's companion and you'll never grow old,

I'll love you so much that you'll never grow old

When there's joy in living you just never grow old

You've got to stay young 'cause you'll never grow old

People who are lonely can be old at thirty-three

Don't let it happen to you, and don't let it happen to me

Be my life's companion and you'll never grow old

You'll never grow old, no, you'll never grow old

**p.2. Be My Life's Companion**

**Love and youth and happiness are yours to have and hold**

**Be my life's companion and you'll never grow old**

**I know a man who's lonely and he's old at thirty-three**

**No one wants to be old at thirty-three**

**Your disposition sours like a lemon on a tree**

**Don't let it happen to you and don't let it happen to me**

**Be my life's companion and you'll never grow old**

**Yes I'll love you so much that you'll never grow old**

**Love and youth and happiness are yours to have and hold**

**Be my life's companion, be my life's companion, and you'll never grow old**
