# THE BEST OF TIMES

Hit a D chord

The best of times is now, what's left of summer but a faded rose

The best of times is now, as for tomorrow well, who knows, who knows, who knows

So hold this moment fast, and live and love as hard as you know how

And make this moment last, because the best of times is now, is now, is now

Now, not some forgotten yesterday

Now, to-morrow is too far away

So hold this moment fast, and live and love as hard as you know how

And make this moment last, because the best of times is now, is now, is now

p.2. The Best of Times is Now

Now, not some forgotten yesterday

Now, to-morrow is too far away

The best of times is now, what's left of summer but a faded rose

The best of times is now, as for tomorrow well, who knows, who knows, who knows

So hold this moment fast, and live and love as hard as you know how

And make this moment last, because the best of times is now, is now, is now

Now, not some forgotten yesterday

Now, to-morrow is too far away

So hold this moment fast, and live and love as hard as you know how

And make this moment last, because the best of times is now, is now, is now, is now, is now
