# BURPING BUBBLES

(Sung to the tune of "Tiny Bubbles")  
4/4 1234 12

Tiny bubbles in my Coke, make me hiccup, make me choke.

Tiny bubbles make me shake all over,

With the feeling that I'm gonna burp until the end of time.

So here's to soda pop, it's good to the very last drop.

But if you drink too much, your teeth will rot!

Tiny bubbles in my Coke, make me hiccup, make me choke.

Tiny bubbles make me shake all over

With the feeling that I'm gonna burp until the end of time.

With the feeling that I'm gonna belch until the end of time.
