

CAB DRIVER - C. Carson Parks

4/4 1...2...123 (without intro)

Intro:  (2 measures)

1. Cab driver, drive by Mary's place,
 2. Cab driver, once more 'round the block,
 3. Cab driver, once more down her street,
 4. Cab driver, wait here by her door,
 5. Cab driver, you better take me home,

 I just want a chance to see her face
 never mind the ticking of the clock
 there's a little place we used to eat
 perhaps I'll hold her in my arms once more
 I guess that I was meant to be a-lone

 Don't stop the meter, let it race, cab driver, drive by Mary's place (2nd verse)
 I only wish we could have had a talk, cab driver, once more 'round the block (3rd verse)
 That's where I laid my future at her feet, cab driver, once more down her street (4th verse)
 Then things will be just like they were be-fore, cab driver, wait here by her door (5th verse)
 I hope God sends me a loved one of my own, cab driver, better take me home (coda)

Coda:

 Cab driver, better take me home, cab driver, better take me home
