Hey, Carrie Anne, hey, Carrie Anne

When we were at school our games were sim - ple
You were always some-thing special to me

I played the jani - tor, you played the moni - tor
Quite inde-pen - dent, never car - ing

Then you played with old - er boys and pre - fects
You lost your charm as you were ag - ing

What's the at-trac - tion in what they're doing
Where is your mag - ic disappearing

Hey, Carrie Anne, what's your game now, can anybody play? (X2)

p.2. Carrie Anne

You're so, so like a woman to me (so like a woman to me)

So, so like a woman to me (like a woman to me)

Instrumental verse

Hey, Carrie Anne, what's your game now, can anybody play? (X2)

People live and learn but you're still learn - ing

You use my mind and I'll be your teach - er

When the lesson's o - ver you'll be with me

Then I'll hear the oth - er people saying

Hey, Carrie Anne, what's your game now, can anybody play? (X2)
