

A CERTAIN SMILE

4/4 1234 1 (without intro)

Intro: |  |  |  |  |  | |

 |  |  | 

A certain smile, a certain face

 |  |  |  | 

Can lead an unsu-specting heart on a merry chase

 |  |  | 

A fleeting glance can say so many lovely things

 |  |  |  |  | 

Sudden -ly you know why my heart sings

 |  |  | 

You love a while and when love goes

 |  |  |  | 

You try to hide the tears in-side with a cheerful pose.

 |  |  |  |  |  | 

But in the hush of night ex-actly like a bittersweet re-frain

 |  |  |  |  | 

Comes that certain smile to haunt your heart a-gain

p.2. A Certain Smile

You love a while and when love goes,

You try to hide the tears in-side with a cheerful pose.
