Intro:

Love you've gone from me and left behind, so many memories.

Here's your old friendship ring, I can't wear it no more.

Here's your old love letters, I can't read them any more.

Love you've gone from me and left behind, so many memories.

Here's that old teddy bear that you won for me at the state fair.

Here's some old Valentine cards, give them to your new sweetheart.

Love you've gone from me and left behind, so many memories.

INSTRUMENTAL:

p.2. Come and Get These Memories

Here's our old favorite record, I can't stand to hear it anymore.

Here's some old lingering love, it's in my heart and it's tearing it apart.

Because of these memories, I never think of anybody but you.

So, come on and get 'em, 'cause I found me somebody new.

OUTRO:

Come and get these memories, since you've gone out of my life

Then my heart can be at ease. Since you've gone out of my life

Give them to your new love. Give them to your new love. (fade)
