

COME IN, STRANGER^(BAR)-Johnny Cash

4/4 1234 12 (without intro)

Intro: |  |  |  |  |  |

 She said,  “Come in, stranger,”  it's good to have you home 

 I hurried thru 'cause I knew it was you, when I saw your dog, waggin' his tail    

 Honey, why didn't you let me know by mail, you've been gone so long   

 She said,  “Come in, stranger,” I know you're weary from all the miles  

 Just sit right there in your easy chair, and tell me about all the places you've been    

 How long it'll be before you leave again, I hope it's a long, long while   

 She said,  “Come in, stranger,” every-thing around home is fine  

 I've watched and I've waited for you to get back, and I missed you all the time
