

# COMES LOVE (BAR)-Lew Brown, Sam Stept, Charlie Tobias

4/4 1...2...123 (without intro)

**Intro:**     (X2)

Comes a rainstorm, put your rubbers on your feet

Comes a snowstorm, you can get a little heat. Comes love, nothing can be done.

Comes a fire, then you know just what to do

Blow a tire, you can buy another shoe. Comes love, nothing can be done

Don't try hid - ing, 'cause there isn't any use

You'll start slid - ing, when your heart turns on the juice

Comes a headache, you can lose it in a day

Comes a toothache, see your dentist right away. Comes love, nothing can be done

p.2. Comes Love

That's all, bro - ther, if you've ever been in love

That's all, bro - ther, you know what I'm speaking of

Comes a heatwave, you can hurry to the shore

Comes a summons, you can hide behind the door. Comes love, nothing can be done

Comes the measles, you can quarantine the room

Comes a mousey, you can chase it with a broom. Comes love, nothing can be done

That's all, bro - ther, if you've ever been in love

That's all, bro - ther, you know what I'm speaking of

Comes a nightmare, you can always stay awake

Comes de-pression, you may get another break. Comes love, nothing can be done,

Nothing can be done, nothing can be done
