# CRY

4/4 1234 12 (without intro)

**Intro:**  /   /  /  /

If your sweetheart sends a letter of good-bye,

It's no secret, you'll feel better if you cry

When waking from a bad dream, don't you sometimes think it's real?

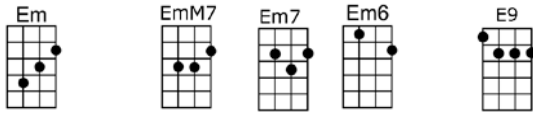

But it's only false emotions that you feel

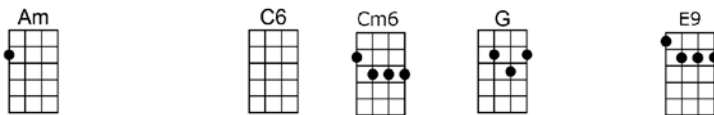

p. 2. Cry

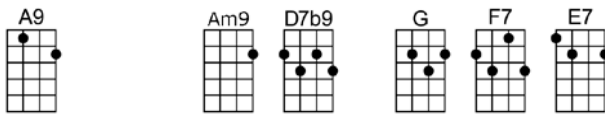

If your heartaches seem to hang around too long

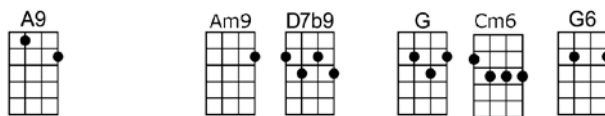

And your blues keep getting bluer with each song

Re-member, sunshine can be found be-hind a cloudy sky

So let your hair down and go on and cry

So let your hair down and go on and cry
