# CRYING (BAR)-Roy Orbison/Joe Melson

4/4 1...2...123 (without intro)

**Intro:**  (2 measures)

  
**I was al-right for a while, I could smile for a while**

     
**But I saw you last night, you held my hand so tight, as you stopped to say, "Hel-lo"**

       
**Oh, you wished me well, you couldn't tell that I've been crying over you, crying over you**

         
**Then you said, "So long," left me standing all a-lone, alone and crying, crying, crying, crying**

    
**It's hard to understand, but the touch of your hand can start me crying**

  
**I thought that I was over you, but it's true, so true**

     
**I love you even more than I did before, but, darling, what can I do?**

       
**For you don't love me, and I'll always be crying over you, crying over you**

         
**Yes, now you're gone, and, from this moment on, I'll be crying, crying, crying, crying,**

          
**Crying, cry-ing, o - ver you**
