Daniel is traveling tonight on a plane

I can see the red tail lights headin' for Spain

Oh and  I can see Daniel wavin' good-bye  

God, it looks like Daniel,   must be the clouds in my eyes      

 

They say Spain is pretty though I've never been

Well Daniel says it's the best place he's ever seen

Oh and  he should know, he's been there e-nough  

Lord I miss Daniel,       oh I miss him so much, oh,

p.2. Daniel

Bridge:

Daniel, my brother, you are older than me

Do you still feel the pain of the scars that won't heal

Your eyes have died but you see more than I

Daniel you're a star in the face of the sky
