

DANIEL (BAR)-Elton John/Bernie Taupin

4/4 1...2...1234

Intro: |  | |  | |  | |  |  |  |  |

 

Daniel is traveling tonight on a plane

I can see the red tail lights headin' for Spain

Oh and    **I can see Daniel wavin' good-bye**

God,   **it looks like Daniel,**   **must be the clouds**     **in my eyes**

 

They say Spain is pretty though I've never been

Well Daniel says it's the best place he's ever seen

Oh and   **he should know, he's been there e-nough**

Lord I miss Daniel,     **oh I miss**   **him so much, oh,**

p.2. Daniel

Bridge:

Daniel, my brother, you are older than me

Do you still feel the pain of the scars that won't heal

Your eyes have died but you see more than I

Daniel you're a star in the face of the sky

Instrumental Verse
