DID YOU EVER HAVE TO MAKE UP YOUR MIND(BAR)

4/4 1...2...123 (without intro)

Intro:

Did you ever have to make up your mind, pick up on one and leave the other be-hind

It's not often easy and not often kind, did you ever have to make up your mind

Did you ever have to finally de-cide, say yes to one and let the other one ride

There's so many changes and tears you must hide, did you ever have to finally de-cide

Sometimes there's one with big blue eyes, cute as a bunny

With hair down to here, and plenty of money

And just when you think she's that one in the world

Your heart gets stolen by some mousey little girl

And then you know you'd better make up your mind, pick up on one and leave the other be-hind

It's not often easy and not often kind, did you ever have to make up your mind

It's not often easy and not often kind, did you ever have to make up your mind

p.2. Did You Ever Have To Make Up Your Mind

Sometimes you really dig a girl the moment you kiss her

And then you get distracted by her older sister

When in walks her father and takes you in line

And says, "You better go home, son, and make up your mind"

And then you bet you'd better finally de-cide, say yes to one and let the other one ride

There's so many changes and tears you must hide, did you ever have to finally de-cide
