

# DON'T ASK ME WHY (BAR)-Billy Joel

4/4 1...2...1234

**Intro:**       **X2**

All the waiters in your grand cafe leave their tables when you blink, Oh-o-o-o-o

Every dog must have his everyday, every drunk must have his drink

Don't wait for answers, just take your chances

Don't ask me why

All your life you've had to stand in line, still you're standing on your feet, Oh-o-o-o-o

All your choices make you change your mind, now your calendar's complete

   

Don't wait for answers, just take your chances

          

Don't ask me why

p.2. Don't Ask Me Why

Umm, you can say the human heart is only make-believe, and I am only fighting fire with fire

You are still the victim of the accidents you leave, as sure as I'm a victim of de-si - i - ire

All the servants in your new hotel throw their roses at your feet, Oh-o-o-o-o

Fool them all but baby I can tell you're no stranger to the street

Don't ask for favors, don't talk to strangers

Don't ask me why

Instrumental:

Yesterday you were an only child, now your ghosts have gone a-way, Oh-o-o-o-o

You can kill them in the classic style-now you parlez-vous fran-çais

Don't look for answers, you took your chances

Don't ask me why

Don't ask me why
