DRIFT AWAY -Mentor Williams

4/4 1234 (slow count)

Intro (and interludes):

Day after day I'm more con-fused,

yet I look for the light through the pourin' rain

You know, that's a game, that I hate to lose,

and I'm feelin' the strain,

ain't it a shame

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Interlude

Beginnin' to think that I'm wastin' time,

I don't under-stand the things I do

The world outside looks so un-kind,

and I'm countin' on you,

to carry me through

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Yeah, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Interlude

p.2. Drift Away

And when my mind is free, you know a melody can move me

And when I'm feelin' blue, the guitar's comin' through to soothe me

Thanks for the joy that you've given me, I want you to know, I believe in your song

And rhythm, and rhyme, and harmon-y, you help me along, makin' me strong

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away
