EASY TO LOVE_(BAR)

4/4 1...2...1234

Intro:

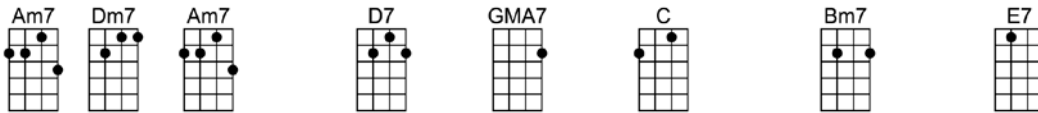

You'd be so easy to love, so easy to idolize, all others a-bove

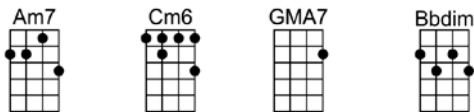

So worth the yearning for,

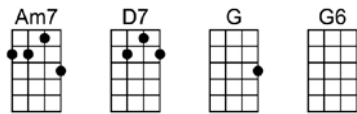

so swell to keep every home fire burning for

We'd be so grand at the game, so carefree to-gether that it does seem a shame

That you can't see your future with me

'Cause you'd be oh, so easy to love.
