FIVE O'CLOCK WORLD (BAR)-Allen Reynolds

4/4 1...2...1234

Intro: |   |   | (X2)

Up every morning just to keep a job, I gotta fight my way through the hustlin' mob

Sounds of the city poundin' in my brain, while an-other day goes down the drain

But it's a five o'clock world when the whistle blows, no one owns a piece of my time

And there's a five o'clock me in-side my clothes, thinkin' that the world looks fine, yeah

Ada -ladee-hee, hee, yeah

       

Tradin' my time for the pay I get, livin' on money that I ain't made yet

       

Gotta keep goin', gotta make my way, but I live for the end of the day

p.2. Five O'clock World

'Cause it's a five o'clock world when the whistle blows, no one owns a piece of my time

And there's a long-haired girl who waits, I know, to ease my troubled mind, yeah

Ada -ladee-hee, hee, yeah

In the shelter of her arms every-thing's OK, she talks and the world goes slippin' a-way

And I know the reason I can still go on, when every other reason is gone

In my five o'clock world she waits for me, nothing else matters at all

'Cause every time my baby smiles at me, I know that its all worth-while, yeah

Ada -ladee-hee, hee, yeah

(X3, fade)
