

(To make the song a little easier to play, you can eliminate the C#7's, D7's, and D#7's)

# THE GLOW-WORM

4/4 1...2...1234 -Paul Lincke/ Lilla Robinson/JohnnyMercer

**Intro:** |  |  |  |  |  |  |  |

Shine little glow-worm, glimmer, glimmer, shine little glow-worm, glimmer, glimmer

Lead us, lest too far we wander, love's sweet voice is calling yonder

Shine little glow-worm, glimmer, glimmer, hey there, don't get dimmer, dimmer

Light the path be-low, a-bove, and lead us on to love

Glow little glow-worm, fly of fire, glow like an incan-descent wire

Glow for the female of the species, turn on the AC and the DC

  

This night could use a little brightnin', light up, you little ol' bug of lightnin'

     

When you gotta glow, you gotta glow, glow little glow-worm, glow

**p.2. The Glow-Worm**

**Glow little glow-worm, glow and glimmer, swim through the sea of night, little swimmer**

**Thou aeronauti-cal boll weevil, illuminate yon woods primeval**

**See how the shadows deep and darken, you and your chick should get to sparkin'**

**I got a gal that I love so, glow little glow-worm, glow**

**Interlude:**

**Glow little glow-worm, turn the key on, you are equipped with taillight neon**

**You got a cute vest-pocket Mazda, which you can make both slow and faster**

**I don't know who you took the shine to, or who you're out to make a sign to**

**I got a gal that I love so, glow, little glow-worm, glow**

**Glow little glow-worm, glow, glow....little....glow-worm....glow**
