Mm mm, mm mm, gonna get along with-out you now

Mm mm, my honey, mm mm, my honey, gonna get along with-out you now

You told me I was the neatest thing, you even asked me to wear your ring

Then you ran around with every guy in town, you never cared if it got me down

Mm mm, my honey, mm mm, my honey, gonna get along with-out you now

P.2. Gonna Get Along Without You Now

Got a-long without you be-fore I met you, gonna get along with-out you now

Gonna find somebody who's twice as cute, 'cause I didn't like you any - how

You told everybody that we were friends, but this is where our friendship ends

'Cause all of a sudden you changed your tune, you haven't been around since way last June

Mm mm, mm mm, gonna get along with-out you now

Mm mm, my honey, mm mm, my honey, gonna get along with-out you now

So long, my honey, good-bye, my dear, gonna get along without you now
