# GOTTA GET UP (BAR)-Harry Nilsson

4/4 1...2...1234

Gotta get up, gotta get out, gotta get home before the morn- ing comes.

What if I'm late, gotta big date, gotta get home before the sun comes up

Up and a-way, got a big day, sorry can't stay, I gotta run run ye-eah

Gotta get home, pick up the phone, I gotta let the people know I'm gonna be late

There was a time when we could dance until a quarter to ten,

We never thought it would end then, we never thought it would end,

We used to carry on and drink and do the rock and roll,

We never thought we'd get older, we never thought it'd grow cold, but nowwww

Gotta get up, gotta get out, gotta get home before the morn- ing comes.

What if I'm late, gotta big date, gotta get home before the sun comes up

p.2 Gotta Get Up

Up and a-way, got a big day, sorry can't stay, I gotta run run ye-eah

Gotta get home, pick up the phone, I gotta let the people know I'm gonna be late

I gotta let the people know I'm gonna be late

Down by the sea she knew a sailor who had been to war,

She never even knew a sailor before, she never even knew his name

He'd come to town and he would pound her for a couple of days,

And then he'd sail across the bubbly waves, and those were happier days, But nowwww

Gotta get up, gotta get out, gotta get home before the morn-ing comes.

What if I'm late, gotta big date, gotta get home before the sun comes up

Up and a-way, got a big day, sorry can't stay, I gotta run run ye-eah

Gotta get home, pick up the phone, I gotta let the people know I'm gonna be late

I gotta let the people know I'm gonna be late. ooo
