GYPSY WOMAN - Curtis Mayfield

4/4 1...2...1234

Intro: |  |  |  |  |

From nowhere through a caravan, around the campfire light

A lovely woman in motion, with hair as dark as night

Her eyes were like those of a cat in the dark, that hypnotized me with love

She was a gypsy wo-man, she was a gypsy wo-man

She danced around and 'round to a guitar melody

From the fire her face was all aglow, how she enchanted me

Oh, how I'd like to hold her near, and kiss and forever whisper in her ear

p.2. Gypsy Woman

I love you gypsy wo-man, I love you gypsy wo-man

All through the caravan, she was dancing with all the men

Waiting for the rising sun, everyone was having fun

I hate to see the lady go, knowing she'll never know that I love her, I love her

She was a gypsy wo-man, she was a gypsy wo-man

She was a gypsy wo-man, she was a gypsy wo-man
