Intro: |  |  |  |  |  |  |  |

 |  |  |  | 

I saw the harbor lights, they only told me we were part - ing

 |  |  | 

The same old harbor lights that once brought you to me

 |  |  |  | 

I watched the harbor lights, how could I help if tears were start - ing?

 |  |  |  |  | 

Goodbye to tender nights beside the silv-'ry sea

 |  |  | 

I longed to hold you near and kiss you just once more

 |  |  | 

But you were on the ship and I was on the shore

p.2. Harbor Lights

Now I know lonely nights, for all the while my heart is whisp-'ring

Some other harbor lights will steal your love from me

I longed to hold you near and kiss you just once more

But you were on the ship and I was on the shore

Now I know lonely nights, for all the while my heart is whisp-'ring

Some other harbor lights will steal your love from me
