

SING E

HAVEN'T WE MET (BAR)

Intro:

I've ordered some rain for to-morrow, the sky will be sunny but wet

When out of no-where you're suddenly there,

And I say, "Yeah, pardon me, haven't we met?"

I've ordered some sunshine with showers, and I've got my scenery set

Right there with a thump our um-brellas gonna bump

And I say, "Yeah, yeah, pardon me haven't we met?"

Acci - dents can happen, and into one I'm gonna slide

There's a good chance to get my hands on a little romance

When two hearts col-lide.....

p. 2 Haven't We Met

And I know that's just how it happened when Romeo met Juliet

Some-where I read that old Romeo said, "Yeah, pardon me,

He said, "Par - don me," he said, "Par - don me, haven't we met....."
