HAVE YOU EVER BEEN LONELY (BAR)- DeRose/ Brown

4/4 1234 1 (without intro)

Intro: |  | |  |  | |

Have you ever been lonely, have you ever been blue

Have you ever loved someone, just as I love you

Can't you see that I'm sorry for each mistake I've made

Can't you see I've changed, dear, can't you see I've paid

 

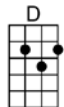

Be a little for-giving, take me back in your heart

 

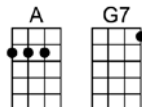

How can I go on living, now that we're a-part

p.2. Have You Ever Been Lonely

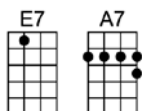

If you knew what I've been through, you would know why I ask you

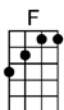

Have you ever been lonely, have you ever been blue

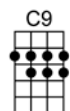

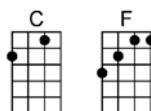

Oh, be a little for-giving, take me back in your heart

How can I go on living, now that we're a-part

If you knew what I've been through, you would know why I ask you

Have you ever been lonely, have you ever been blue
