4/4 1...2...1234

-The Fortunes

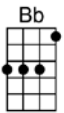

Intro:      (8 beats each)

Here comes that rainy day feeling a-gain,

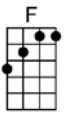

and soon my tears, they will be falling like rain

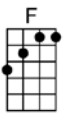

It always seems to be a Monday,

left over memories of Sunday,

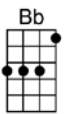

Always spent with you, before the clouds appeared, and took away my sunshine

Here comes that rainy day feeling a-gain,

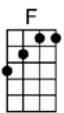

and I'll be dreaming of you, baby, in vain

Your face is always on my mind, girl,

I'm hopin' soon you're gonna find, girl,

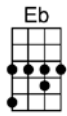

Your way back to me, 'cause if you say you'll stay, the rainy days will go away

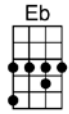

Interlude:  

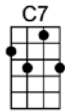

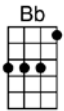

p.2. Here Comes That Rainy Day Feeling Again

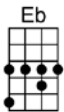

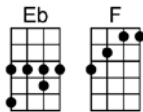

Misty morning eyes, I'm tryin' to disguise the way I feel

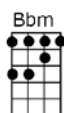

But I just can't hide it, people seem to know, the loneliness must show

I'm thinkin' of my pride, but breakin' up inside, girl

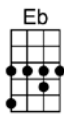

Here comes that rainy day feeling a-gain, and soon my tears, they will be falling like rain

It always seems to be a Monday, left over memories of Sunday,

Always spent with you, before the clouds appeared, and took away my sunshine

Here comes that rainy day feeling a-gain, (Repeat and fade)
