
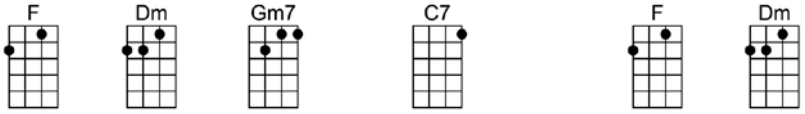
HOLD ME w.m. Harry Noble

4/4 1234 1234 (slow)

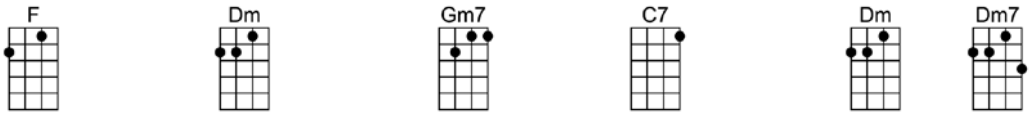


Hold me, hold me, never let me go until you've told me, told me

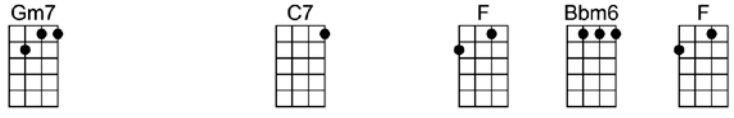
What I want to know and then just hold me, hold me

Make me tell you I'm in love with you

Thrill me (thrill me), thrill me (thrill me), walk me down the lane where shadows

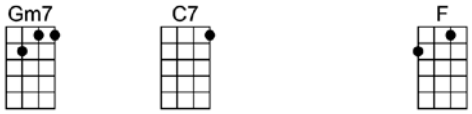


Will be (will be) will be (will be), hiding lovers just the same as we'll be, we'll be



When you make me tell you I love you

p.2 Hold Me



They told me be sensible with your new love

Don't be fooled, thinking this is the last you'll find

But they never stood in the dark with you, love

When you take me in your arms

And drive me slowly out of my mind

Kiss me (kiss me), kiss me (kiss me), and when you do, I'll know that you will

Miss me (miss me), miss me (miss me), if we ever say, adieu

So kiss me, kiss me, make me tell you I'm in love with you
