HUNGRY MAN

4/4 1...2...123 (without intro)

Intro:  (X 2)

I know a chef in Albu-querque who ex-cels in bakin' turkey,

So when I want turkey, I go to Albu-querque, 'cause I'm such a hungry man..

There is a cook in East St. Louis who makes the most de-licious Chop Suey,

So when I want Chop Suey, I go to East St. Louis, 'cause I'm such a hun - gry man.

Duncan Hines, he ain't got nothin' on me.

I've been known to drive alone to Butte, Mon-tana to get a ba-nana...split.

They got a fish-house in old Paw-tucket that serves you steamed clams in a bucket,

So for clams in a bucket I go to old Paw-tucket, 'cause I'm such a hun - gry man.

I take a train to downtown Philly, where I eat scrapple 'til I get silly.

I also eat a lot there of the pepper pot they got there, 'cause I'm such a hungry man.

p.2. Hungry Man

I often fly up to the Maine coast to get broiled lobster with some plain toast.

To keep from being melan-choly I munch a Mexican ta-male, 'cause I'm such a hun - gry man.

Shish kebab, that's one of my favorite snacks,

Nothin' beats a.... piece of pizza. Out in La-guna, I get my tuna...fish.

I met a gal in Tucum-cari, and she's the one I plan to marry.

Now she was fat and not good-lookin', but when she started cookin'.... I'm such a hun - gry man.

Now she was fat and not good-lookin', but when she started cookin'

That's where love be-gan, 'cause I'm such a hungry man.
