

SING A

I BELIEVE IN MUSIC - Mac Davis

4/4 1...2...1234

Intro: |  |  |  |  |  |  |  |

I could just sit around makin' music all day long

As long as I'm makin' music, I know I can't do nobody wrong

And who knows? Maybe some day I'll come up with a song

That makes people want to stop this fussin' and fightin' just long enough to sing a-long

I believe in music, oh, I,

I believe in love,

I believe in music, oh, I,

I believe in love

Music is love, and love is music, if you know what I mean

And people who believe in music are the happiest people I have ever seen

So clap your hands, stomp your feet, and shake your tambourines

And lift your voices to the sky, tell me what you see.

p.2. I Believe In Music

I believe in music, oh, I, I believe in love,

I believe in music, oh, I, I believe in love

Music is the universal language, and love is the key

To brotherhood, and peace, and understanding, and livin' in harmo-ny

So take your brother by the hand, and sing a-long with me

And find out what it really means to feel young and rich and free

I believe in music, oh, I, I believe in love,

I believe in music, oh, I, I believe in love
