

# I DON'T CARE IF THE SUN DON'T SHINE - Mack David

4/4

The sun contains the ray they label vitamin D

If you lack vitamin D, it's quite alright with me

But I am here to say, that I lack vitamin love

But I can't get vitamin love with that doggone sun a-bove

I don't care if the sun don't shine, I get my loving in the evening time,

When I'm with my ba - by

It's no fun with the sun around, but I get going when the sun goes down,

And I meet my ba - by.

That's when we kiss and kiss and kiss, and then we kiss some more

Don't ask how many times we kiss, at a time like this who keeps score

**p.2. I Don't Care If the Sun Don't Shine**

**So I don't care if the sun don't shine, I get my loving in the evening time**

**When I'm with my baby.**
