I know a little bit about a lot o' things, but I don't know enough about you.

Just when I think you're mine, you try a different line, and baby, what can I do?

I read the latest news, no buttons on my shoes, but baby, I'm confused about you.

You get me in a spin, oh, what a stew I'm in, 'cause I don't know e-nough about you.

Jack of all trades, master of none, and isn't it a shame,

I'm so sure that you'd be good for me, if you'd only play my game!

   

You know I went to school, and I'm no-body's fool, that is to say until I met you!

    

I know a little bit about a lot o' things, but I don't know e-nough about you.

p.2. I Don't Know Enough About You

Jack of all trades, master of none, and isn't it a shame,

I'm so sure that you'd be good for me, if you'd only play my game!

You know I went to school, and I'm no-body's fool, that is to say until I met you!

I know a little bit about a lot o' things, but I don't know e-nough about you.

I know a little bit about biology, and a little more about psychology

I'm a little gem in ge-ol-----o-----gy, but I don't know e-nough about you.

I don't know e-nough about you. I..just....don't....know e-nough about you.
