

# I LOVE BEING HERE WITH YOU - Peggy Lee/Bob Schluger

4/4 1...2...123 (without intro)

**Intro:** |  |  |  |  |  |  |  |  |

 |  |  | 

I love the East, I love the West, and North and South, they're both the best

 |  |  |  |  |  | 

But I only go there as a guest, 'cause I love being here with you

 |  |  | 

I love the sea, I love the shore, I love the rocks, and, what is more

 |  |  |  |  | 

With you there, they'd never be a bore, 'cause I love being here with you

 | 

Singing in the shower, laughing by the hour, life is such a breezy game

 | 

Love all kinds of weather, long as we're together, I love to hear you say my name

 |  |  | 

I like good wine and fine cui-sine, and candle light, I like the scene

 |  |  |  |  |  | 

But, baby, if you know what I mean, I love being here with you

**p.2. I Love Being Here With You**

**Interlude:**

**Basic's band a-swinging, I like Ella's singing, be-cause they're something else, you know**

**They know how to say it, they know how to play it, they wind it up and let it go**

**I love the thrill of New York shows, I'd love to kiss Durante's nose**

**But I'd like to say before I close, that I love being here....yes, I love being here....**

**You know, I love being here with you!**
