Before this dance is through I think I'll love you too, I'm so happy when you dance with me

I don't want to kiss or hold your hand. If it's funny, try and under-stand

There is really nothing else I'd rather do, 'cause I'm happy just to dance with you

I don't need to hug or hold you tight. I just want to dance with you all night

In this world there's nothing I would rather do, 'cause I'm happy just to dance with you

     

Just to dance with you is everything I need

      

Before this dance is through I think I'll love you too, I'm so happy when you dance with me

p.2 I'm Happy Just To Dance With You

If some-body tries to take my place, let's pre-tend we just can't see his face

In this world there's nothing I would rather do, 'cause I'm happy just to dance with you

Just to dance with you is everything I need

Before this dance is through I think I'll love you too, I'm so happy when you dance with me

If some-body tries to take my place, let's pre-tend we just can't see his face

In this world there's nothing I would rather do. I've dis-covered I'm in love with you

Oh, oh, 'cause I'm happy just to dance with you....Oh, oh.....Oh, oh oh!
