I'M INTO SOMETHING GOOD (BAR)-Carole King/Gerry Goffin

4/4 1...2...1234

Intro: |   |   |   |   |

Woke up this morning feeling fine

There's something special on my mind

Last night I met a new girl in the neighbor-hood, whoa yeah

Something tells me I'm into something good (Something tells me I'm into something)

She's the kind of girl who's not too shy

And I can tell I'm her kind of guy

She danced close to me like I hoped she would (she danced with me like I hoped she would)

     

Something tells me I'm into something good (Something tells me I'm into something)

p.2. I'm Into Something Good

We only danced for a minute or two

But then she stuck to me the whole night through

Can I be falling in love

She's everything I've been dreaming of

She's everything I've been dreaming of

I walked her home and she held my hand

I knew it couldn't be just a one-night stand

So I asked to see her next week and she told me I could (I asked to see her and she told me I could)

Something tells me I'm into something good (Something tells me I'm into something)

Something tells me I'm into something good (Something tells me I'm into something,

Something tells me I'm into something, something tells me I'm into something... good!)
