

IT'S GOING TO TAKE SOME TIME THIS TIME

4/4 1...2...1234

-Carole King/Toni Stern

Intro:   (alternating)  (X2)

It's going to take some time this time to get myself in shape

I really fell out of line this time, I really missed the gate

The birds on the telephone line (next time) are cryin' out to me (next time)

And I won't be so blind next time, and I'll find some harmony

But it's going to take some time this time, and I can't make demands

But like the young trees in the wintertime, I'll learn how to bend

After all the tears we've spent, how could we make a-mends

So it's one more round for ex-perience, and I'm on the road again

And it's going to take some time this time

p.2. It's Going To Take Some Time This Time

Interlude: Chords of 1st verse

It's going to take some time this time, no matter what I've planned

And like the young trees in the wintertime, I'll learn how to bend

After all the tears we've spent, how could we make a-mends

So it's one more round for ex-perience, and I'm on the road again

And it's going to take some time this time

Outro: Same as intro (fade)
