

# IT'S IN HER (or HIS) KISS - Rudy Clark

4/4 1...2...1234

Does she love me, I wanna know, how can I tell if she loves me so.

(Is it in her eyes?) Oh, no, you'll be de-ceived, (Is it in her eyes?) Oh, no, she'll make be-lieve,

If you wanna know if she loves you so, it's in her kiss (That's where it is-oh, yeah!)

( Or is it in her face?) Oh, no, that's just her charms (In her warm em-brace?) Oh, no, that's just her arms

If you wanna know if she loves you so, it's in her kiss (That's where it is!)

Oh, oh, it's in her kiss (That's where it is!)

Oh, oh, oh, hug her, and squeeze her tight, and find out what you want to know

If it's love, if it really is, it's there in her kiss

(How 'bout the way she acts?) Oh, no, that's not the way, you're not listenin' to all I say

**p.2. It's In Her (or His) Kiss**

If you wanna know if she loves you so, it's in her kiss (That's where it is!)

Oh, yeah, it's in her kiss (That's where it is!)

Oh, oh, oh, hug her, and squeeze her tight, and find out what you want to know

If it's love, if it really is, it's there in her kiss
