IT'S NICE WEATHER FOR DUCKS - Tommy Wolf/Fran Landesman

4/4 1...2...123

Intro: |  |  |  |  | **(X2)**

It's nice weather for ducks, I know they find it a-musing

It won't in-hibit their cruising, it's nice weather for ducks

It's nice weather for eels, I'm sure they find it "app-eeling"

'Cause no one wants to go eeling, nice weather for eels

The girl and boy ducks love the rain, the she eel has the he eel

But no one cares when I com-plain, how miserable I fe - eel

       

Nice weather for ducks, it's wet be-low and a-bove them

      

But they have someone who loves them, it's nice weather for ducks.

p.2. It's Nice Weather For Ducks

It's nice weather for frogs, il fait très beau for the fishes

They think it's simply de-licious, nice weather for frogs

It's nice weather for grass and all the rest of those green things

And you know, man, like I mean things, nice weather for grass.

It's sweet to share a love af-fair when rainy days con-fine us

But Cupid's given me the air, and all I get is sin - us!

It's nice weather for ducks, I know they simply a-dore it

But as for me I ab-hor it, so I'll just try to ig-nore it

They're so lucky, for it's so ducky for.....ducks.
