

I'VE LOVED YOU ALL OVER THE WORLD^(BAR)

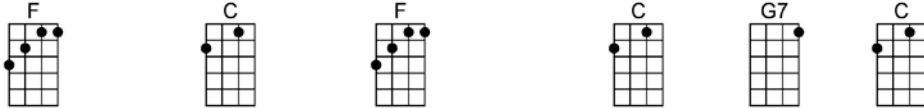

3/4 123 12 (without intro)

-Willie Nelson

Intro: first two lines

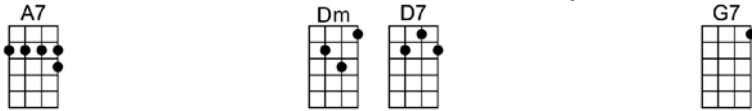

You're my buddy, my pal, my friend. It will be that way until the end

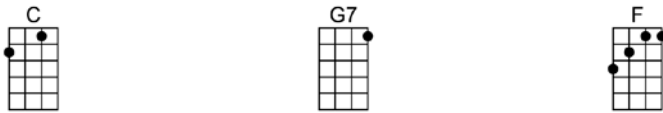

And wher-ever you go, I want you to know, you're my buddy, my pal, my friend

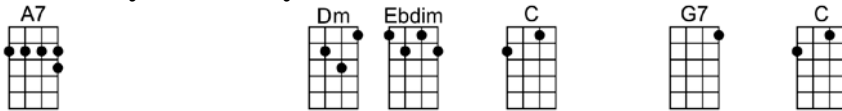

I've loved all over the world..... You are my sunshine

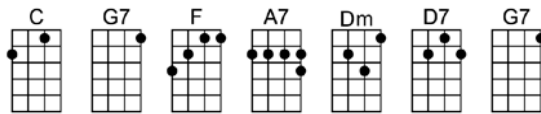

You keep my life in a whirl.....And you love me sometimes

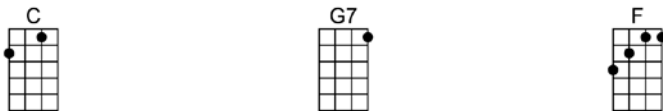

I'll always follow my heart.....Wherever it leads me

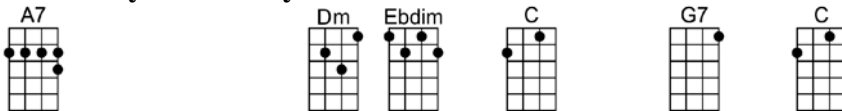

And until death do us part, I'll love you all over the world

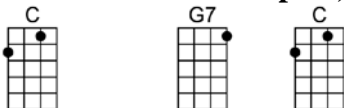

Instrumental:

I'll always follow my heart.....Wherever it leads me

And until death do us part, I'll love you all over the world

I'll love you all over the world
