

LITTLE GIRL BLUE (BAR)-Rodgers and Hart

3/4:

When you were very young, the world was younger than you, as merry as a carou-sel

The circus tent was strung with every star in the sky, above the ring you loved so well

Now the young world has grown old, gone are the tinsel and gold.....

4/4:

Sit there and count your fin - gers, what can you do? Old girl, you're through

Sit there and count your little fingers, unlucky little girl blue

Sit there and count the rain-drops, falling on you, it's time you knew

All you can count on is the rain - drops that fall on little girl blue.

No use, old girl, you may as well sur-render, your hopes are getting slender

Why won't somebody send a ten - der blue boy, to cheer up little girl blue
