LOOK OVER THERE (BAR)-Jerry Herman

3/4 123 12 (without intro)

Intro:

How often is someone con-cerned with the tiniest thread of your life?

Con-cerned with whatever you feel, and whatever you touch?

Look over there, look over there. Somebody cares that much

How often can somebody sense that you need them with-out being told

When you have a hurt in your heart, you're too proud to dis-close

Look over there, look over there, somebody al - ways knows

When your world spins too fast, and your bubble has burst

Someone puts herself last, so that you can come first.

p.2 Look Over There

So count all the loves who will love from now 'til the end of your life

And when you have added the loves who have loved you before

Look over there, look over there, somebody loves you more,

Look over there, look over there,

Somebody loves you more.
