

LOSING YOU (BAR)-Jean Renard/Carl Sigman

4/4 1...2...1234

Intro: |  |  |  |  |  |  |  |  |

 |  |  |  |  |  |

Don't sigh a sigh for me, don't ever cry for me

 |  |  |  |  |  |  |  |

This is good - bye from me, I know we're through, I'm losing you

 |  |  |  |  |  |

Love sang it's song for me, then things went wrong for me

 |  |  |  |  |  |  |

Nights are too long for me, be-cause I'm losing you

 |  |  |  |

Our love, and our de-votion were deep as any ocean

 |  |  |  |  |

Then one day, like the tide, you be-gan to change

 |  |  |  |  |  |

And you became a per - fect strang -er

 |  |  |  |  |  |

Some-one is holding you, sharing the lips I knew

 |  |  |  |  |  |  |

I can't be - lieve it's true, that I am losing you

 |  |  |  |  |  |  |  |  |  |  |

I can't be - lieve it's true, that I am losing you
