# LOVE HAS NO PRIDE<sub>(BAR)</sub>-Eric Kaz/Libby Titus

3/4 123 123

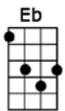

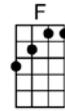

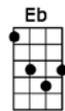

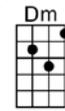

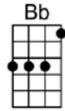

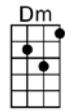

**Intro:** |  |  |  |  |  |  |

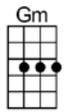

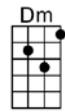

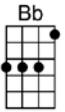

I've had bad dreams too many times, to think that they don't mean much any - more

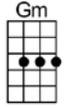

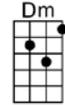

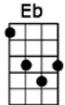

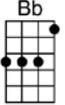

Fine times have gone and left my sad home,

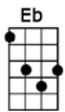

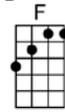

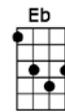

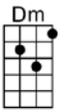

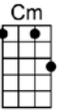

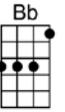

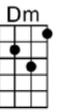

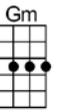

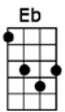

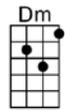

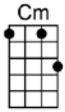

And the friends who once cared just walked out my door

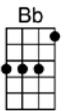

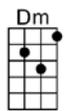

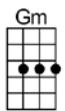

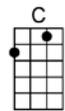

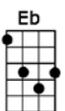

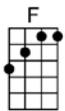

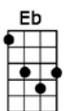

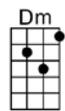

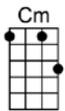

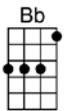

Love has no pride when I call out your name.

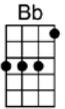

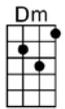

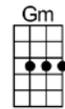

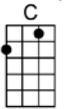

And love has no pride when there's no one to blame.

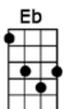

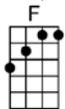

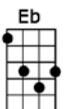

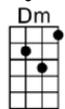

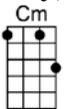

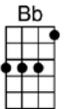

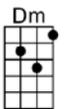

But I'd give any-thing to see you a - gain

I've been a-lone too many nights, to think that you could come back a - gain

   

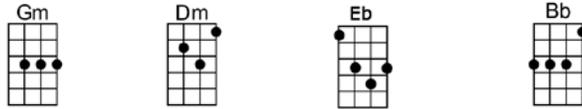

And I've heard you talk, "he's/she's crazy to stay,"

But this love hurts me so, I don't care what you say

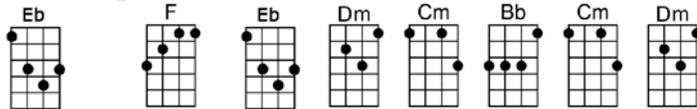

p.2. Love Has No Pride

'Cause love has no pride when I call out your name.

And love has no pride when there's no one to blame.

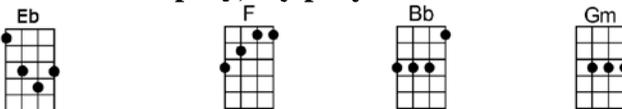

And I'd give any-thing to see you a - gain

If I could buy your love, well I'd surly try, my friend

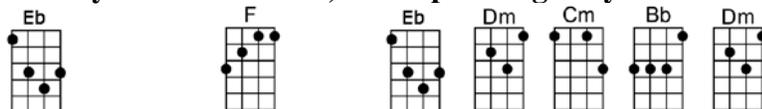

And if I could pray, my prayers would never end

But if you want me to beg, I'll fall down on my knees

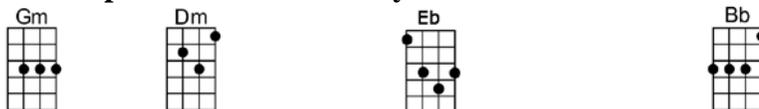

And ask you to come back, I'd be pleading for you to come back

I'd beg for you to come back to me

Love has no pride when I call out your name.

And love has no pride when there's no one but myself to blame.

And I'd give any-thing to see you a - gain. Yes, I'd give any-thing to see you a - gain
